Rutu City wins Iconic Residential Project - Thane

Rutu City at Thane developed by Rutu Group Of Companies won the Iconic Residential Project - Thane award at the Times Real Estate Icons 2021. Rutu Group is a master planner and developer with extensive experience in developing real estate projects of scale and repute. The success of the group has been attributed to its single-mindedness and prudent steadfastness in anticipating the needs of customers and bringing their aspirations and dreams to splendid fruition.

Rutu Group was established in 1979 and has a legacy of distinctive development projects. With the experience of more than four decades, the Group has been able to cement its reputation of being among the leaders in the Indian real estate sector. It has completed 40 projects of over 10 million sq ft space with over 10,000 families.

Rushi Patel, managing director, Rutu Group receives an award for Iconic Township Project - Central Suburbs, from Dr Jitendra Awhad

Rutu Riverview wins Iconic Township Project - Central Suburbs award

Rutu Riverview Classic at Kalyan won the Iconic Township Project - Central Suburbs award at the Times Real Estate Icons 2021. The project has 1-BHK and 2-BHK expansive homes, practical amenities, a fitness centre and other conveniences for a fulfilling life. The access to Kalyan station, the marketplace, connectivity and other soft infrastructure like schools and hospitals in its vicinity make Rutu Riverview that much more attractive to home-buyers who want to live in the lush abundant green surrounding. The recently announced infrastructure projects in the region have further enhanced the liveability quotient at Rutu Riverview. The project overlooks a river, which can be an envy for the guests who come to visit Rutu Riverview. Home-buyers can expect the best of amenities and facilities at this project.
